GROUP

Clermont-Ferrand – March 13, 2023

The Michelin Group organizes a digital Capital Markets Day on March 13, 2023

The 2021 Michelin Capital Markets Day was the opportunity to reveal our “*Michelin in Motion*” strategic plan towards 2030.

Since then, our global environment has changed rapidly and in many unexpected directions, how does this impact Michelin’s strategy?

Where do we stand on our strategic roadmap for each of our three business domains “With tire”, “Around tire” and “Beyond tire”?

Are we in line with our 2023 targets? How confident are we about reaching our 2030 ambitions?

On Monday, March 13 at 2:00 pm CET, Florent Menegaux, Yves Chapot (Michelin Group partners) and Executive Committee members will share a progress update on our strategy:

- With Tire

Scott Clark (VP Automotive) & Eric Vinesse (VP Research & Development)

- Around Tire

Lorraine Frega (VP Services & Solutions) & Eric Vinesse

- Beyond Tire

Maude Portigliatti (VP High Tech Materials) & Eric Vinesse

Supporting documents will be available as of March 13, at 4:15pm CET on [michelin.com](https://www.michelin.com)
